VERMENTINO WEEK

Benvenuto
Vermentino
welcome to sardinia

AN EVENT THAT UNITES ART, MUSIC, CULTURE, AND FOOD & WINE

Conceived and organized by the Chamber of Commerce of North Sardinia and Promocamera, the event was created to promote Vermentino and its territories, improve its commercialization, and support tourism.

The event offers a valuable opportunity for connection and discovery, bringing together the wineries that produce Vermentino—under both the 'Vermentino di Gallura DOCG' and 'Vermentino di Sardegna DOC' denominations of origin—with a vast audience of tourists and enthusiasts. Visitors can taste these excellent wines in the unique atmosphere that only Olbia and Gallura can offer.

Benvenuto Vermentino is part of Salude & Trigu, the Chamber of Commerce project that weaves together the traditional and cultural events of Northern Sardinia into a single narrative, offering visitors an authentic and engaging experience to discover the wonders of this splendid territory.

Winery Experiences

Guided tours and tastings with the producers

Olbia - October 10, 2026

Intrecci di Vite - Intertwined Vines

The "Vermentino" eno-literary award returns with several new features, presented during a Media Day held in Milan and aimed at all representatives of the publishing sector.

Now in its **10th edition**, the competition tells the unique story of the encounter between literature and the world of wine, through published works of Italian and foreign fiction. The award ceremony is scheduled to take place in Olbia on October 10, 2026.

Conceived by the **Chamber of Commerce of North Sardinia** in partnership with the **Municipalities of Olbia** and **Castelnuovo Magra**, and in collaboration with wine producers from Sardinia, Liguria, and Tuscany, the Award represents a symbol of identity for the sector.

From an idea of the Chamber of Commerce of North Sardinia
